This list includes regional attractions where Girl Scout Indian Hills Council and troops have participated in programs in recent years. We hope you will find the list helpful in selecting opportunities for troop or Service Unit field trips. Some of these locations will tailor their programs specifically for Girl Scout troops/groups to assist in working towards earned recognitions (Try-Its, Badges or Interest Projects). We encourage you to visit the organization website or phone them for details about their hours, costs, and program content. If your troop visits a location not on this list that you would like to share with others troops, please send information by e-mail to [dzinn@gsihc.org](mailto:dzinn@gsihc.org) so that we can consider including that location in future updates.
